

Dear Parents/Carers,

We are delighted to be able to inform you of our **Remote Learning Offer** for all of our GHF schools. We are really grateful for all the feedback and views that you provided as this has had an enormous impact on our revised offer. Thank you to all of our parents/carers for taking the time to complete the surveys that we have sent in the last few months.

What is our Remote Learning Offer?

In the event of a possible **class/year group isolation or school closure** all pupils will be able to access our Remote Learning Offer. Which will be as follows:

EYFS

- All remote learning will be accessed through **Tapestry**. This will be accessed by parents/carers through your existing accounts

It will be a combination of the following elements:

- Age appropriate play-based activities in line with the EYFS curriculum
- Video story and phonics sessions delivered by school staff
- Links to appropriate learning activities and activities to promote physical and mental wellbeing
- Weekly timetable overview

Important points to note:

- Please note that children will need support to access and engage with this learning every day.
- Parents/Carers will photograph and write notes or video the child's learning to upload on to Tapestry to share with the class teacher.
- Teachers will respond to learning with praise and comments, but please note that Tapestry is not to be used as a communication tool between families and teachers. Any specific messages must go through the office.
- We will expect all familiar to upload regular posts on Tapestry. Please expect a courtesy welfare phone call if you do not make contact within a week.

Please find a User Guide and the Tapestry User Agreement, that was signed during induction, accompanying this letter. In the meantime, please continue uploading your home learning challenges and proud moments on to Tapestry from home.

Yours sincerely

The Senior Leadership Team
