Dear Parents and Carers,

As you will be aware, the advice to schools about remaining open to provide childcare for **key workers** has been updated. We are currently planning how to provide this service to pupils attending this school. Please follow the links below to read the latest government guidance.

<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>

<https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers/closure-of-educational-settings-information-for-parents-and-carers>

If you believe you are categorised as a **key worker** under the new guidance please complete the form below and send it to us using this email address which has been specially set up for this purpose: fenkeyworkers@ghf.london

Please can you provide this information **as soon as possible** to help us with our planning. We will also be offering a service to children in vulnerable groups, and we will contact those families directly.

Until we have more details of numbers involved, we cannot give further information about the service we will be able to provide. We are working hard to support families, and ask for your understanding in this matter.

With very best wishes,

Susan Holt, Laleh Laverick and Gillian Roberts
